Vacation Bible School Registration

August 2-6, 2021

\$5 each or \$8 for family

As summer wears on and your children are beginning to say, "Mom, Dad, what can I do today?" you can give yourself a break and give your kids a quality program to enjoy. How? By sending him or her to our Vacation Bible School!

Reserve August 2-6, 9:30 a.m. until noon, on your calendar. The charge (for materials) is \$5 total for all five days (or \$8 for a family). We have designed our activities to meet the needs of children 4 years through those entering 6th grade. As you may know from past experience or from your friends, we have a great time planned for your child!

We are looking forward to seeing you. Also, if you would like to provide a snack or beverage for one of the days, a gallon of drink and 2 dozen cookies would be appreciated. Just drop them off in the kitchen on the main floor. Thank you!
